Dear Bill:

There seems to be some confusion as to the dates you mention in your letter. The February 16 date is the possible night for the network party, at which the members of the Penn-Mike Club hope to play hosts to the staffs of the other three stations. Will you let me know whether WHAV would prefer the 16th or the 15th, that is, the Friday or Saturday night? The boys here lean toward Friday, the 15th, since we have a basketball broadcast scheduled for the 16th. We would like to know, too, how many will be able to come, since we are arranging for a dance with a live band.

Our plans for joining the network this term will have to go by the boards, for a variety of reasons, but we are very hopeful of coming in during the first weeks of our new term, which begins March 4. We'll have a meeting before then, and iron out the details.

I gather from your signature that you are the new head of WHAV. If I'm right, then congratulations are in order. I would appreciate hearing from you as soon as possible about the party.

Sincerely,

Bob Currie
